

2ND SPECIALIST DAY 2024

ZENTRUM
EUROPÄISCHER
FLECHTKULTUR
Lichtenfels

Schedule

The professional dialogue and getting to know weaving cultures is becoming increasingly important, especially for the weaving craft in view of its increasing recognition as intangible cultural heritage. We would like to take this into account with this 2nd specialist conference in Lichtenfels. This time the focus is on diversity - diversity of international weaving cultures, because weaving is done all over the world.

The focus of the 1st conference: "Health in the workplace" will be continued with a practical unit in Thai Chi. In the late afternoon, we will show the six short films from this year's 3rd Short Film Festival.

Please register by **31 August 2024 at the latest** using the form provided.
