

# BASKETRY FAIR LICHTENFELS 2026

## International „Weaving-Culture-Festival“

### Workshop offering, Dates on 19 and 20 September 2026

As an **accompanying or participatory programme** for visitors, the Wickerwork Culture Festival in Lichtenfels will again offer an **proposal of workshops** that will be advertised nationwide. The range of courses is intended to enable visitors to learn the basics of weaving as well as to make simple but well-designed woven objects. If you have a suitable proposal and would like to offer it, all we ask is that you fill in a few details on the form (reverse side).

It would be good and **important** for the programme booklet as well as on the internet platform **flechtworkshops.de** to have a selection of **digital and high-resolution photos** of the object (min. 150 dpi, or min. 2,000 px edge length). The internet platform is the most important registration channel!

#### The Offering:

- The workshops take place in the **city castle**, in a specially equipped workshop for the weaving courses in Lichtenfels. If there are enough courses on offer, we will open a second workshop
- Benches and basic tool equipment are available. Material you would need to bring
- There is a **"workshop leader"** who receives/checks the registrations, opens the course and, as a "time keeper", makes sure that the course duration is adhered to (otherwise there will be problems with follow-up courses!). This way you can concentrate on the pure knowledge transfer
- There is a **fixed fee** that is independent of the number of participants. However, at least one registration must be received by Friday evening; if not, the course is cancelled. The **target is eight participants per course (max. 10). If there are nine or ten participants, the fee increases proportionally.** Changes due to Corona requirements are possible!
- The fee will be transferred immediately after the Basketry Fair and amounts for a
  - one hour workshop **105 € + 38 € Material flat rate = 143 €**
  - two hours workshop **180 € + 38 € Material flat rate = 218 €**
  - three hours workshop **243 € + 38 € Material flat rate = 281 €**
- Longer courses are only planned as an exception, but are certainly possible
- The workshop programme will be published in all accessible media (print, internet, social media). We also publish the programme on **korbmarkt.de** and **flechtworkshops.de**. Experience shows that most participants use these addresses for convenient registration. However, it is of course also possible to register via the Tourist Information of the German Basket Town
- You can **check the actual number of registrations** at any time on **flechtworkshops.de**. Spontaneous registrations should also be possible, of course only if there are still places available

**Please complete and return by  
10 April 2026 at the latest to:**
